# SATURDAY

## Breakouts

### AI in Ministry

10 Hours of Work in 10 Minutes - How AI can transform Bible study preparation, improve sermons, create video clips, improve outreach and pastoral care and more. AND some of it's limitations and temptations.

### Harmonizing Traditions

Integrating Contemporary and Traditional Music in the Church. Explore the dynamic landscape of worship as we consider how to "harmonize" the traditions of both traditional and contemporary worship

### Tech Enhanced Ministry

Diving into the digital age for church growth and community connection!

### Connecting with Region Leaders

Join us for a lively chat with our eight Regional Associate Ministers. Discover how they can come alongside our local churches. Hosted by the one and only Steve Bilal!

### God Space

A friend, co-worker, family member or someone you just met is talking ... and you sense God nudging you to say something. How to bring God into the conversation without shutting it down?

### Faith in Hostile Times

What can be learned in how Jesus engaged with and responded to people who were hostile toward Him. In Jesus' example, we find a way to hold tight to the truth, while speaking it in love.
